str. 143 / cv. 5: Compare these two pictures.

např.

On these two pictures, we can see two very different people with two very different jobs. The first one is a woman who is a doctor, she has a white coat and what looks like a stethoscope around her neck, the other one is a workman, he has a helmet on his head so he could work on some construction or in some kind of a mine. When you look at the pictures you can also see a big difference in the mood, the woman appears to be very cheerful, while the man has a more serious expression.

str. 143 / homework: Make conditional sentences commenting these situations.

- 1) Charles always drinks a lot of beer. Then he has problems with the police.
– If he didn't drink so much beer, he wouldn't have problems with the police.
- 2) Tomorrow we will tell them. They will know everything.
– If we tell them tomorrow, they will know everything.
- 3) I don't have to pay. He pays for everything.
– If he pay for everything, I wouldn't have to pay.
